

New/Ongoing Business:

Referee Rep

Review and Approve GEJFA Safety Committee Recommendation – Jason will send an email

Budget Updates -

Flex Football – Shelving until later.

Decision point - More focus is on Rookie Tackle. Fields and refs are the most affective.

Will this be a more ethical/philosophical question? Will this be a step/progression to tackle?

Possible if clubs have enough to field a team do it. If needed to move to modified, you can move that way. Less go Rookie Tackle. Each club needs to make the decision which way they will decide.
