- Officials Updates

HS kids officiating are not working all games scheduled. Need better pool of candidates for next year. About 40% are HS students. Will talk about a referee's grievance in off season.

- Budget Updates

All clubs are paid up. We are flush. All flag players are not insured by Boys & Girls Club unless they pay the registration fees.

- Eastlake Sophomores

2 Sophomore teams now need to be combined due to injuries on Red. Black is still holding at 18. The combined totals would be 32 max. There are no GEJFA rules governing this it will be the decision of the council. The request is to merge Red w/Black. Decision by the council is to allow the combination of both teams. All Red games will be no count and Black will be eligible for the play-offs.

- Championship game location
- Schedules
- Game Reports – Due 11:59pm Saturdays

Auto suspension if not received. No exceptions!

- GEJFA Contact List

Email got hacked. We need to look for a new method.

- Billie Hartline

Memorial will be held in 2-3 weeks. Shawn will email the date and location. No flowers are requested, and they ask to support the scholarship fund.

The request is to set up a scholarship fund under Billie's name and posted on the GEJFA website. The permission of the council is approved.
